PowerSchool Parent/Student Portal User Profile

You can access the PowerSchool Parent/Student Portal at:
<http://powerschool.anderson3.k12.sc.us/public/home.html>
(Links can also be found on the district and all school websites.) If this is your first time using the Parent/Student Portal, you will need to use the Access ID and Access Password below to create your account.

At the Parent/Student Portal log in page, Click **Create Account**. Enter the requested information. You can then log in using the username and password you created.

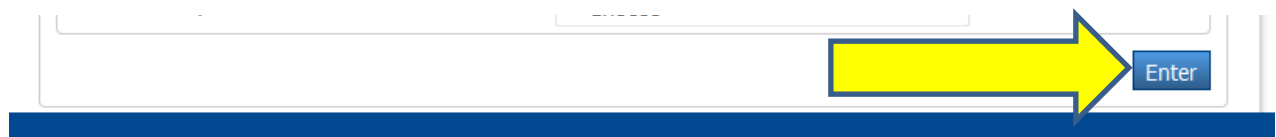

If you already have a Parent/Student Portal account for another student and would like to add this student to your existing account, log into your existing account. Go to **Account Preferences**, and choose the **Students** tab. Click the **Add** icon and use this Access ID and Password to add this student.

***** Access ID: 123456**

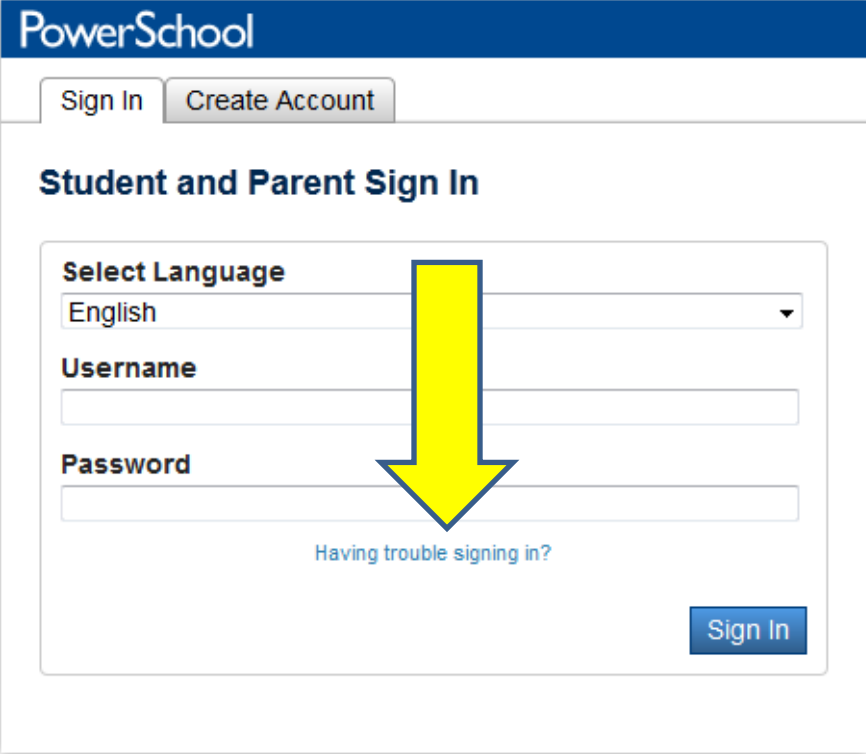

***** Access Password: A1B2CDE (Password is case sensitive)**

Please remember that only one username and password will be issued per family/student.

When finished adding your student(s) click “Enter” at the bottom of the page to save your information.

If you forget your username or password click the “having trouble signing in” link.
